

Holy Family Catholic Primary School, New Springs

Admission Arrangements 2019/20

Holy Family is a Roman Catholic Primary School under the trusteeship of the Diocese of Salford. It is maintained by Wigan Local Authority. As a Voluntary Aided School, the Governing Body is the Admissions Authority and is responsible for taking decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the Local Authority. For the school's year commencing September 2019, the Governing Body has set its admissions number at 20.

The school's role is to participate in the mission of the Catholic Church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the Good News and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be made by the Governing Body. All preferences listed on the Local Authority Preference Form will be considered on an equal basis, following allocation of places to children with a statement of special educational needs or education health and care plan naming the school, with the following set of ADMISSIONS CRITERIA forming a priority order where there are more applications for admissions than the school has places available.

1. Looked After Children and previously Looked After Children
2. Baptised Roman Catholic children who have a sibling in the school at the time of admission
3. Baptised Roman Catholic children resident in the Parish of Holy Family
4. Baptised Roman Catholic children resident in other Parishes
5. Other children who have a sibling in the school at the time of admission
6. Other children

Parents must complete the School Supplementary form. If the school is oversubscribed failure to complete the supplementary form may result in your application for a place in this school being considered against a lower priority criteria, as the governing body will have no information upon which to assess the application on the basis of the applicant's baptism. This form should be returned to the school.

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured in a straight line from the home to the school main entrance door.

NOTES

- a. All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be **treated as a late application** and will not be considered until **after** the main allocation of places has taken place.
- b. A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
- c. For a child to be considered as a Catholic evidence of a Catholic Baptism or reception into the Catholic Church is required. Written evidence of reception into the Catholic Church can be obtained by referring to the Register of Receptions, or in some cases a sub-section of the Baptismal Registers of the Church in which the Rite of Reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic Church through the RCIA programme, the child must also be admitted to the Church by the Rite of Reception.

The Governing Body will require written evidence in the form of a Certificate of Reception before applications for school places can be considered for categories of 'Baptised Catholics'. A Certificate of Reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the Salford diocesan authority will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

- d. Home Address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.
- e. 'Sibling' is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.
- f. A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. The waiting list does not consider the date the application was received or the length of time a child's name has been on the waiting list. This means that a child's position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

- g. For 'In Year' applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
- h. If an application for admission has been turned down by the Governing Body, parents may appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on the Governors.
- i. The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.
- j. It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The Governing Body may exceed the regulations for twins and children from multiple births where one of the children is the 20th child admitted. This also applies to in-year applicants who are looked after/previously looked after, children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.
- k. If a child is a "summer born child", parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the headteacher.
- l. Parents may request that their child attend school part-time until he/she reaches his/her fifth birthday.

Admission of children outside their normal age group

Parents may seek a place for their child outside of their normal age group, for example, to a higher year group if the child is gifted and talented or to a lower year group if the child has experienced problems such as ill health.

The parents of a summer born child (born between 1 April and 30 August) may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

A decision is made on the basis of the circumstances of each case.

The process is as follows:

Stage 1 – request

Parents make a formal request to the Local Authority School Organisation Team in writing with any supporting evidence they wish to be considered.

- A request for delayed entry to reception class should be made at the same time as applying for a place for normal entry (i.e. by the closing date of 15 January) in order to give sufficient time for the case to be considered prior to the offer of school places on 16 April.
- A request for in year admission outside of the normal age group should be made on the normal in year transfer form.

We do not accept requests for early entry to reception class for children who will not be of statutory school age.

Stage 2 – decision

Requests for voluntary-aided, foundation and academy schools will be referred to the school to be considered.

Requests for community and voluntary controlled schools will be considered by the local authority. We will look at the following factors but these are not exhaustive:

- Parent's views
- The needs of the child and the possible impact on them of being educated out of year group
- The child's medical history and views of medical professionals if appropriate
- In the case of children born prematurely the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth
- Whether delayed academic, social, emotional or physical development is adversely affecting their readiness for school;
- Any other information which the parent requests the local authority to consider.

Stage 3 – outcome

Parents are notified of the decision in writing by the School Organisation Team.

Request agreed:

If the request is agreed the application will be considered for the year group requested and ranked alongside any other applications. **There is no guarantee that a place will be offered at the preferred school.** Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Where a child has been educated out of their normal age group, the parent may again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group.

Request refused:

There is no statutory right of appeal against the refusal of a request for admission outside the normal age group. However, if the parents are dissatisfied they have the right to complain through the Council's complaints procedure for decisions made by the local authority or under the school's complaints procedure where the decision has been made by the school.
